We will try.

It is going to be tight. The workgroup expects to be finished with Justin's changes by noon today. I am pushing for everyone up through me to concur today or early tomorrow so it can go to the FR liason for pre-review. Hopefully we can get it back by Friday, so it can be ready to sign on Monday.

Note: Matthew Leopold is on vacation until the 22 and is expecting to be able to look it over for red flags when he gets back. Also, we still haven't heard anything from Bill Wehrum.

David will sign Tx SSM SIP call withdrawal on Monday, April 22, so please have it ready to go and to him first thing Monday.

Also, have the Houston/Galveston/Brazoria 2008 O3 VOC and RACT final action ready for his signature by Wed April 24.
